I'm a mechanical engineering student at the University of Wisconsin with a passion for aerospace engineering and the economics behind it. I plan to attend graduate school and then join the Air Force, setting me on the path to become an astronaut.

EXPERIENCE

2021

HOST

P.F. CHANG'S

Responsibilities included seating guests, preparing the dining room for opening, cleaning tables and dishes, and preparing for night shift.

2021

TEAM MEMBER

MENCHIE'S

Responsibilities included opening and closing the store, assembling fruit bouquets, building cakes, managing inventory, and balancing cash registers.

2019-2020

FOH TEAM MEMBER

CHICK-FIL-A

Indoor and outdoor (drive-thru) cashier for Chick-fil-A. Stocked shelves, fulfilled beverage and food orders, made desserts, cleaned, and satisfied customer requests. Significantly streamlined the drive-thru process to mitigate the problems created by a subpar location.

2018

MBA STUDENT INTERN

JEWISH FEDERATION OF GREATER LOS ANGELES

Contacted and recorded interviews with 10+ alumni of American Jewish University to create recruitment videos for the School of Nonprofit Management. Collaborated with other interns to successfully delegate responsibilities regarding scheduling. Created a notable increase in applications in the application cycle following the publishing of the recruitment videos.
