I'm a mechanical engineering and economics student at the University of Wisconsin with a passion for aerospace engineering and the finances behind it. I plan to attend graduate school and then join the Air Force, setting me on the path to become an astronaut.

## EXPERIENCE

2021

### HOST

P.F. CHANG'S

Responsibilities included seating guests, preparing the dining room for opening, cleaning tables and dishes, and preparing for night shift.

2021

### TEAM MEMBER

MENCHIE'S

Responsibilities included opening and closing the store, assembling fruit bouquets, building cakes, managing inventory, and balancing cash registers.

2019-2020

### FOH TEAM MEMBER

CHICK-FIL-A

Indoor and outdoor (drive-thru) cashier for Chick-fil-A. Stocked shelves, fulfilled beverage and food orders, made desserts, cleaned, and satisfied customer requests. Significantly streamlined the drive-thru process to mitigate the problems created by a subpar location.

2018

### MBA STUDENT INTERN

JEWISH FEDERATION OF GREATER LOS ANGELES

Contacted and recorded interviews with 10+ alumni of American Jewish University to create recruitment videos for the School of Nonprofit Management. Collaborated with other interns to successfully delegate responsibilities regarding scheduling. Created a notable increase in applications in the application cycle following the publishing of the recruitment videos.
